THE LAST HALF WAS VERY FAST

And Dorian is Considered a Good Shot for the Great American Derby. The W. A. W.'s "Diamond Tournament"-Results of the Other Races and Base Ball Games-Late News of

New York, June 14 .- The chief interest at Morris Park to-day was in the mile and a half race in which Dorlan, Sport and Sir Walter started at ten pounds off for age, and Sir Walter was a prohibitive favorite, with Sport second choice and the three-year-old not wanted by anybody but the punters. The flag fell to a good start and none of the jockeys seemed inclined to make the running. The consequence was that the race degenerated into a mile gallop and a sprint of half a mile down the hill. In a short time Sir Walter had got enough of it, and then Griffin sent

Dorian out for the lead. He took it easily in the last eighth, and then sport got enough, leaving the three-year-old to gallop in a winner in the slow time of 2:42. The last half mile, however, was run in 47 seconda, which showed conclusively that Dorian has a lot of speed. He will run in the American Derby at Chicago and is thought to have a royal chance.
